

DAY PROGRAM: COMMUNITY CONQUEST

Our Community Conquest program runs every Thursday from 9:00am to 3:00pm during term. This program allows teens and young adults to increase their independence, boost social skills and access the wider community. By creating a fun and supportive environment, participants can push themselves outside of their comfort zone to reach their goals.

Goals of the Community Conquest program include:

- Increase independence
- Promote community involvement
- Participate in new activities
- Make new social connections
- Increase confidence using public transport
