

CAMPS

Every second term, Outside the Box runs fun filled weekend camps. Our camps to encourage participants to develop their skills and achieve their personal goals in a social, fun and supported environment.

Previous camp activities have included rock climbing, abseiling, the giant swing, archery, camp fires, a disco and talent show, scrapbooking and mini golf.

Support options for camps are 1:1, 1:2 and 1:3. We have a strong team of highly skilled support workers to ensure all participants receive high quality care that matches their individual needs.
