

WEEKEND PROGRAM: WEEKEND WANDERER'S

The Weekend Wanderers program is all about allowing participants to learn new life skills, make friends and have fun in a way that's affordable for our families. This program runs on alternate Saturdays during term from 9:00am to 3:00pm and is designed for participants aged under 16 years old. We have a new theme for each term, and previous themes include nature, being active and the music and arts.

Goals of the Weekend Wanderer's program include:

- Increase social skills and form new friendships
- Work towards individual goals
- Trying new and challenging activities in a safe and supportive environment
- Have fun!
